

County Safety Officer's Organization of California

Guess what everyone? It's almost spring... This April we will be gathering for our annual conference being held this year on April 22nd thru 24th, in Ventura County. Surf's up.... As far as I can see the weather will be very nice so bring your surfing gear or something like it.

During the conference we will be electing new officers, and we have openings for the following important positions.

President, currently held by Susan Klein of Ventura County.

Vice President, currently held by Robert Rabago of Humboldt County.

Secretary/Treasurer, Currently held by Tammy Frye of Shasta County.

All three have been at their positions for a few years now and have elected to step down. I need everyone to think seriously about becoming an officer so we can continue to move forward.

Please submit your name to me phil.raba@ventura.org by Friday April 18th with the position that you are interested in holding. The election will take place at the conference.

See you all soon,

Phil Raba, Nomination Chairman
